LODGING

We recommend 6 hotels located in the Megève area (see next page). These hotels offer special rates and/or attentions to WMC participants and will keep some rooms available for the WCM participants up until a certain date (varying from October 31st to January 15th according to the hotel). The day rates per person displayed in this attachment include the proposed discount and are generally for a stay of 5 to 7 nights for two persons in the same room. Other options can be discussed with most of these hotels. Booking must be done individually by each participant.

There are many other good hotels in the area but most of them have only a limited number of rooms available in March. A good idea is also to look at potential good deals on Booking.com, TripAdvisor or similar sites.

Other contacts:

Megève Tourisme : +334 50 21 27 28; www.megeve.com

Association des gens du pays : www.locappart-megeve.com (for renting of chalets)

Please note that it is advisable to book lodging as early as possible and preferably before December 2018 (most hotels are fully booked for March 2 or 3 months before!)
